1. GENERAL BACKGROUND OF THE UNIVERSITY

1.1 Creation and Agreement

East African University Rwanda (EAUR) is a nonprofit organization, located in Nyagatare Cell, Nyagatare District, Eastern Province. The institution founded by the East Africa University Rwanda Ltd (EAUR Ltd), was accredited to operate in Rwanda as a Private Institution of Higher Learning by Ministerial order during an extraordinary cabinet of meeting 20/3/2015 to start with Accredited and approved courses offered at undergraduate (Degree and Diploma) levels.

EAUR is governed by laws and regulations concerning Higher Education in Rwanda, the Law Regulating Labour in Rwanda, EAUR Internal Regulations and Manual of procedures.

EAUR provides a conducive student friendly environment and mixed student community. Its mode of learning currently is open for full time basis and part time basis for professional courses and in-service programs. EAUR has a flexible timetable that is customized to suit the ever-dynamic student and corporate training needs respectively.

1.2 Fundamental Statements

Vision

EAUR is destined to become a leading academic institution of HLI of first choice in the provision of relevant vocational skills, professionalism and affordable market oriented quality education as well as production of morally upright and competent self-sustaining professionals in their various field.

Mission

Derived from the above vision statement, the mission of EAUR is to transmit quality knowledge and skills, conduct research, and provide community service to the region and the world at large. This mission is pursued through market demand driven programs that instill EAUR students, the ability to assume responsibility in their future career in the society. EAUR acts as a vehicle of social-economic development in the region.

BACHELOR DEGREE PROGRAMME AND CURRICULUM

3.2. The Credit Accumulation Modular System of Learning (CAMS)

EAUR adopted the Credit Accumulation Modular system (CAMS) since 2014. Under this system student's progress by accumulating credits for modules they pass. They may graduate with different levels of exit awards depending on the number of credits accumulated. Upon accumulation of 120 credits in a year at the level of Certificate of Higher Education, students are promoted to the next level of Diploma in Higher Education, Advanced Diploma in Higher Education and Ordinary Degree in any program respectively. Upon accumulation of 480 credits, students shall be awarded a Bachelor's degree with honours in any relevant specializations.

3.3. The Programme Rationale

Different programs were introduced in cognizance of the fact that Rwanda lacks sufficient and qualified manpower in different specialized. The transformations and technological changes experienced by modern organizations are increasing the demand for professionals with qualified skills at all levels.

Our programs are designed to equip prospective professionals and technicians in different domain with basic knowledge, attitudes and skills in the generic areas and to add value to the organizations within which the candidates (will) work.

3.4. Duration of the study

Our programs are a *three academic year's* programme consisting of 480 credit hours. However, by operating a semester system EAUR is able to fast track and completes the study in three years.

3.5. Sessions of study

The programme is conducted as:

- Day program for regular students;
- Evening program for working people; and
- Weekend program for working professionals.

3.6. How will I learn?

You will learn through a combination of lectures, tutorials, problem based learning techniques and practical work. Workshop teaching in small groups is combined with your practical project work. Students will also be required to undergo intensive and rigorous field attachment (industrial training) culminating into project work in their area of specialty. The superiority of this project work will make these students qualify for the award with a bachelor with honours in his or her choose program.

4. ADMISSIONS AND REGISTRATION

4.1. Admissions

4.1.1. Minimum entry requirement: EAUR admits to its bachelor or degree and Advanced Diploma programmes only students who have completed an Advanced General Certificate of Secondary Education and obtained at least a minimum of *two principal passes* or Equivalent Qualifications. Applicants who might not have attained the above performance level but have other relevant qualifications may be considered case by case.

4.1.2. Guidelines for determine eligibility of students with advanced diploma to be admitted into bachelor program:

- Must have an Advanced General Certificate of Secondary Education with at least two principal passes permitting entry to higher education.
- Must have completed and graduated in a program leading to award of advanced diploma.
- The higher learning institution which awarded the Advanced Diploma must fully accredited by a body mandated to deal with such issues in the country where that higher learning institution is operating.
- The student should at least spent one and half year at EAUR for him/her to complete his/her studies leading to the award of bachelor's degree.
- The documents of students who have obtained an Advanced Diploma wishing to upgrade their level of education shall be assessed by the Head of Department, Dean of School and the Academic Registrar from recommendations made by the admission Board members in order to determine the Modules and credits that have to be studied in order to accumulate the minimum credits required for one to complete a bachelor's degree in a particular program and admission shall be made basing of the recommendation from the department.
- The Academic Registrar will issue an admission letter in such cases indicating the number of Modules to be covered by the Candidate and also allocating a registration number.
- The program to be upgraded in should be same or similar with the one studied at advanced diploma.

4.1.3. Application procedures: The applicants are required to complete official application forms enclosing certified copies of academic testimonials, copy of the National Identity Card, notarized copy of the passport in lieu of the National Identity Card (or for international students) and recent two passport size photographs. All applications are subject to a selection process. Applicants will be notified soon after the selection process is completed. Where necessary, EAUR deserves the right to interview the applicant. Students must ensure that the names and particulars provided on the application forms are genuine and shall not be arbitrarily changed except with permission of courts of law. Whatever information is provided shall appear on relevant academic documents and final Certificates and Transcripts.

4.1.4. Change of Admission Regulations: The University deserves the right to review or change the admission regulations without giving a prior notice.

4.2. Registration

4.2.1. New and Continuing Registration: Both new and continuing students must register their present with The University at the beginning of each semester. The registration shall be done within two weeks before the commencement of the semester. No student shall be registered after the deadline. Students failing to register before the deadline will forfeit their place of admission. EAUR management may demand for the original copies of the Academic and other important documents.

4.2.2. Registration fees: To register, students must show evidence from the Accountant that he/she has paid registration fees, caution money (for the new students), Student ID fees and at least 60% of the tuition fees.

4.2.3. Students' Identity Card: All registered students will be issued with ID cards. No student shall be allowed in the campus without a valid ID card. No student is allowed to attend lectures, do any practical work or sit for any examination or use any of the University's facility/property unless he/she is a registered student. Identity cards shall have a validity period of one year only.

4.2.4. Forged Documents: Cases of falsification of documents or giving any false or incomplete information shall lead to the automatic cancellation of admission/registration. Legal actions may also be taken against the culprit. A student found to have presented falsified documents shall lose his/her place in the University and shall be dismissed any time it is

discovered or She/he shall automatically lose all achievements (awards) attained to date of the discovery.

4.3. Credit Transfers

- 4.3.1. Possibility:** Students from others Institutions of Higher Learning (HLIs) in or outside Rwanda may on case by case be admitted and registered at EAUR on credit transfer arrangements.
- 4.3.2. Credit Transfers:** Students entering The University from another HLI as transfer students cannot transfer the grades they achieved elsewhere. However, The University will only transfer credits for courses that have a EAUR equivalent course/module as well as programmes into which the student is admitted.
- 4.3.3. Authority for Credit Transfer:** Any course to be accepted for transfer credit can only be considered by the Head of Department, School as an equivalent of a course/module in the student's programmes. An evaluation is then made of each course and a determination arrived at by the Head of Department, School based on clearly articulated standards (Transfer Equation). No more than half of the credits required for graduation at EAUR may be taken at another HLI.
- 4.3.4. Credit Transfer Payments:** candidates for credit transfers are required to study and be examined in and pay for all modules in preceding levels in which they had not accumulated credits in their former HLI.
- 4.3.5. Rights and Obligation under Credit Transfer:** Once admitted, transfer students shall be subject to the same regulations, rules and policies governing all students at EAUR, and shall be accorded the same class standing and other privileges as all other students on the basis of the number of credits earned.

5. FEES STRUCTURE AND PAYMENTS

5.1. Fees Structure

5.1.1. Fees common to all students can be obtained from the finance/academics offices.

5.1.2. Fees Variations: fees may vary between different cohorts of students as may be determined from time to time by management

5.2. Fees Payments

5.2.1. Tuition fees for each academic year are paid at the beginning of each semester.

5.2.2. New Students Fee payment: to register new students must have paid at least 60% of tuition fees as well as registration fees, guild fees and insurance.

5.2.3. No continuing student will be allowed in class without having paid at least 30% of the tuition fees or paid for at least one module in the semester.

5.2.4. Paying in instalments may be negotiated and obtained from Director of Finance and the beneficiary must sign the contractual agreement and must abide by it.

5.2.5. Modes of payment: to avoid risks of handling cash in the office and in transit to the bank, Tuition payments must be done through bank account with the following details:

Account Name: EAUR
Bank: Bank of Kigali
Account number: 00058067269139

Account Name: EAUR
Bank: ECOBANK
Account number: 0030133811988602

5.2.6. Non Refund of Fees: Under no circumstance, shall tuition fees paid be refunded.

6. CLASS ATTENDANCE AND COMPLETION OF MODULES

6.1. Attendance Percentage

6.1.1. Class Attendance: Students are urged to participate diligently in lectures, tutorials, exercises and examinations. This participation is compulsory. A student anticipating being absent from classes shall seek permission from the Head of Department. A student who misses classes for medical reasons shall submit within two days written evidence from approved physicians. The University full time classes start at 8 am up and end at 5.30 pm, part time classes start at 5.30 pm and end at 9.30 pm. Any student who fails to report for classes twenty minutes after the scheduled time will not be allowed in class.

6.1.2. Minimum Acceptable level of Attendance: To sit for examinations a student must have achieved at least 80% attendance in the module and semester.

6.2. Required Number of Credit Hours Per Level

All modules must be defined by level and credit value. The level of a module is an indicator of the relative demand, complexity, and depth of study and learner autonomy involved in the module. Levels descriptors are given in the Rwandan National Qualifications Framework. (Certificate: 120 Credits; Diploma: 240 Credits; Advanced Diploma: 300 Credits; Bachelor Degree: 360 Credits and Bachelor's Degree with honours: 480 Credits).

6.3. Division of Learning Hours
